

SHOWA

6784

Forged with rugged neoprene and a 14" gauntlet combined with cotton lining, SHOWA 6784 is designed for comfort in hot or cold environments while providing protection against acids and caustics.

[FEATURES

- Full neoprene coating
- Cotton liner
- 14" gauntlet
- Smooth grip

[BENEFITS

- Cotton liner helps keep you cool and comfortable in hot conditions or warm in cold conditions
- Provides protection against acids, caustics, oils, greases and many solvents
- Excellent all-around protection against physical hazards such as abrasion and cut
- Suitable for many heavy-duty applications including but not limited to pellet-blasting and sandblasting
