

**PROACTIVE ENVIRONMENTAL PRODUCTS®**  
**12 Volt DC Supernova® 70 Plastic Pump**  
(Lifts 70 Feet / 21 Meters DTW)

**How The Supernova® 70 Can Help You...**

- The Supernova® 70 is 1.44" O.D. — perfect for well screens of 1.5" I.D (not to be used in larger wells!)
- Perfect for 2" wells that are bent or cracked that a traditional 2" pump can't fit down.
- Save Time and Money
- Save Trouble
- Save Your Back
- The Supernova 70® pump meets EPA protocols for low flow sampling (Fractional Flow®).
